MEMBERSHIP FORM

The Toogoom and District Community Association Inc (TADCA) is an incorporated association which leases the land the community hall is on from the Fraser Coast Regional Council for community use and events. The Management Committee is comprised of a group of volunteers who manage all facilities on the grounds and co-ordinate events for the benefit of the community in order to raise funds for the maintenance and operating costs of the grounds, hall, tennis courts and TADCA out buildings.

Your annual membership fees help to support our community by providing well maintained facilities to hold community events and offer a meeting place for a wide range of activities. Membership is \$10 per financial year and is open to persons 18 years +
